PROFILE

OAKLANDS COLLEGE

We are a large further education college in Hertfordshire with campuses in Welwyn Garden City and St. Albans, and a further training provision in Borehamwood. We offer around 1,500 full and part-time courses to nearly 10,000 students, who come from Hertfordshire and further afield. Our courses range from vocational courses with strong links to employers through to elite sports, the arts and a wide variety of A Levels.

Based in the heart of our local community, Oaklands is now open to the public and can offer a range of activities for both businesses and individuals. From a dining experience in our Stables Restaurant to a children's party, to hiring facilities for meetings or training.

The Stables Restaurant offers an open plan dining experience, allowing our guests to experience the 'theatre of cooking' and watch in anticipation our students prepare your homemade meal to order. Guests can arrive early (there is parking on site) and enjoy a pre-dinner drink in the bar area or outside (weather permitting) before our students lead them to their table to continue their evening. The open plan restaurant gives our guests an insight to the real life pressures chefs tackle every day and the ultimate responsibility of cooking meals to order for paying customers. Booking line is: 01727 737357 or email thestables@oaklands.ac.uk

Our Sports Zone offers state-of-the-art sporting and events facilities. Built to the highest standard, our facilities are suitable for recreation through to elite sporting use and can be hired for a one-off event or regular bookings. We pride ourselves on delivering sporting excellence and supporting our students and clients to realise their full potential 01727 737014.
