Strutt & Parker is an independent UK property partnership with a network of offices throughout England and Scotland, including locally with a residential agency office in Harpenden and a multi disciplined office in St Albans.

The business provides professional support on all matters relating to land and property – whether offices or farms, city or country houses, business parks, leisure centres or dairy farms, new home construction or rural estate management.

Wherever you are in the UK a Strutt & Parker specialist will work in close partnership with you, listening to your exact needs, offering an exceptional level of service and real depth of expertise.

Through this partnership, you'll have access to the resources of a national firm as well as the valuable knowledge of a local specialist.

Over the changing landscape of the past 130 years, we have retained a belief in the power of hard work, intelligence and creativity to deliver our clients' goals. With a dedicated and forward thinking team offering expert local knowledge and sound, professional advice, Strutt & Parker can ensure that the assets of businesses, farmers, landowners, house buyers and international investors perform to their optimum.
