## BEECHWOOD PARK SCHOOL

*Beechwood Park* is a co-educational day and flexi-boarding school for children from aged 3 to 13. It is located outside the village of Markyate in Hertfordshire and is in easy reach of St Albans and Harpenden. There is an extensive school bus service to a number of towns and villages.

The School is located in a beautiful 18<sup>th</sup> Century Grade I listed mansion and is surrounded by 37 acres of glorious park and woodland (including Forest School) allowing children space to explore.

As well as plentiful open space, enabling activities such as orienteering, cross country and cyclo cross, the School also has excellent sports facilities including many sports pitches, a flood-lit Astro turf, heated indoor swimming pool complex, modern cricket pavilion and large sports hall providing a wide variety of sporting opportunities for all abilities.

*Beechwood Park* believes passionately in nurturing children, from a very young age, to explore and discover. Nurturing involves providing a safe and secure learning environment in which children can thrive, building friendships for life, and enjoying the fun and excitement of wide-ranging educational adventures. Within safe boundaries, pupils are encouraged to be naturally creative and curious and to venture forth.

From Woodlands Nursery through to Year 8, children are taught to lead confident and independent lives, equipped with the skills and knowledge that they need to excel and be happy in the future.

Pupils from *Beechwood Park* go on to a wide variety of high quality secondary schools, both independent and in the state sector, a significant proportion with some form of scholarship or award.
