BENNETTS

Bennetts is a family run business Est 1954. The L. Bennett and Son Group's principal business is the Motor Trade. The two youngest Directors represent the Third generation within the Automotive industry.

At Bennetts we essentially sell car parts and tools to the public, trade garages, main dealers, performance specialists and individual vehicle specialists. We are happy to help with all enquiries at our stores throughout the UK, ranging from a simple fuse to a MOT station and 4 post lift install. Our Internet site has been providing public and trade tools for more than 8 years and we distribute tools to every continent to help customers service and maintain their cars and motorcycles.
