CHRIS HOBSON PHOTOS

CHRIS HOBSON is SAHC's official photographer whose work adorns the walls and banners in SAHC clubhouse at Oaklands. He is the father of SAHC Ladies 1st XI player Chloe and is a frequent visitor to the Club, and member of the Tangerine Army. Chris used to be a hockey goalkeeper, in the days of face masks and ski gloves, before helmets and proper padding. He is a real estate litigator at Olswang solicitors. He is a fan of the music of Santana and Deep Purple and, after 25 years as a coach potato, took up running to do a 5k in 2015 but wrecked his achilles and now keeps to photography.
