

PRESS RELEASE

TANGERINES' WATTON THE ENGLAND GOAL HERO

St Albans Hockey Club striker Ellie Watton was the double goal hero in England's opening games at the women's hockey Champions Trophy in Argentina at the weekend. Watton scored the equalising goal from open play in the opening game against Australia on Saturday, which England narrowly lost 2-1. She then repeated the same feat against Germany on Sunday in a 1-1 draw. Watton was winning her 31st and 32nd international caps and playing in attack alongside St Albans HC teammate Hannah Macleod, one of England's senior players who made huge contributions of her own to both games. Macleod and Watton both joined the tangerines this summer. Macleod is the St Albans HC women's 1st XI Head Coach. Watton is the club's Hockey Development Officer in which capacity she conducts youth masterclasses and organises the club's holiday hockey camps at Oaklands.
