TANGERINE LADIES MARCH ON

It was the turn of St Albans Hockey Club's Ladies 2nd XI to take centre stage at Oaklands on Saturday, registering an emphatic 6-0 win over Maidstone 1st XI. The goals came from Sarah Embrey, Sarah Fretwell and Jo Weston, two from Ann-Marie Davenport and one from player of the match Fiona Nekeman. Meanwhile, the Ladies 1st XI scored a vital away win 1-0 at Sevenoaks through a strong team display, with second half circle penetrations from the outstanding Ellie Watton eventually paying off in creating the chance for Lottie Porter to slot home the winner. Then a 1-1 draw for the Ladies 3rd XI meant the day ended with the St Albans 1st, 2nd and 3rd teams all sitting at the top or joint top of their respective leagues. Elsewhere the Ladies 5th XI registered a 3-2 win and the Ladies' Boadiceas a 2-2 draw on a great day for the club's women, to the delight of Ladies Club Captain Liz Cleverly. In the men's games there were wins for four of the club's men's teams, including a 6-2 victory for the 5th XI against local rivals WGC 3rd XI but the St Albans men's first team had a disappointing day at the Lee Valley hockey centre losing 4-2 to Wapping. This Saturday sees both first teams in front of the Tangerine Army at Oaklands: the men entertain Felixstowe at 3pm while the Ladies 1st XI take on Wimbledon at 6pm.
