

25 August 2014

Dear Playing Members,

You will find attached (1) the playing member registration forms for the new season and (2) our new *Members and Partners Booklet*. They are self-explanatory and are also on the club website.

In the *Booklet*, alongside general information about our *Playing Members* and *Youth Members*, you will find information about two new initiatives that we are promoting:

- The *Tangerine Army* is free social membership for all members and friends who register their email addresses with us. We will keep them informed (from time to time) and we think this will be great for the Club. Please help us sign people up. Easiest way is online at the SAHC website/*tangerine army*.
- *Partners* is a way of getting some extra help from those who have a special interest in youth hockey and/or our First Teams, while avoiding depletion of the resources which we raise through subs from and for the Club as a whole. Please join in as a *Partner* if you can. The *Booklet* describes our pledges as to what recognition *Partners* will get and how money will be used. There is a £50 discount on full paying subs for *Gold Partners*.

Most importantly, welcome or welcome back, and thanks for all you do in the Club. As always, please say if you are able to take on something new, and do please let us or the club captains have any ideas or feedback.
