

Queenswood School is delighted to support St Albans Hockey Club

Queenswood is a leading boarding and day school for around 420 girls aged 11–18, in a beautiful 120-acre estate close to London. An all-round education focuses on equipping the girls with all the life skills required of women in the 21st century. Within a caring and supportive framework, the girls enjoy a dynamic academic curriculum, supported by a diverse and exciting co-curricular programme. Hockey is central to our long and proud sporting tradition, and we have an impressive history of Regional and National success in both outdoor and indoor competitions. Scholarships are available for our elite sportswomen, with several of our Hockey Scholars competing at international level.
